School Tells Demands For Use Of Park

A series of broad requirements to make a portion of Daly City's Westlake park land available for use as a school site was outlined to the city council Wednesday by H. Z. Weibel, Jefferson Elementary School district superintendent.

In order for the school district to use the city land to augment the district's 7½ acre Westlake Basin site, Weibel said the following arrangements would have to be made:

1. That no specific portion of the Daly City land be allocated to the school, but that the entire area be made available to the district.

2. That the park clubhouse be moved to another location for best utilization of the land by the school district.

3. That provision be made for a tiny tots playground, picnic area and tennis court.

4. That automatic sprinkler system be installed so that watering can be handled at night.

5. That a schedule be prepared for the district and the city to share maintenance costs.

6. That the city prepare engineering data for the district's architect so that the district can prepare a land use plan.

While the demands will have a decided effect on the layout of the city's park, the council indicated that "we should be able to reach agreement on all these matters."

The council deferred action on request of the elementary district to abandon a portion of Hanover street which the district seeks to utilize for the controversial Gen. Pershing school site, and a similar request to abandon Hill street near Colma. Before Hill street can be vacated, the council stipulated, a substitute street for Market street access must be provided.

REPORTING January 15 as city librarian will be Samuel P. Chandler, 38, who is leaving his job at Brigham Young university.

DC, County Heads To Confer On Library 'Split'

City and county library officials will discuss Daly City's proposed withdrawal from the system at a joint meeting to be held here January 8, prior to the council study session.

Representing the county will be E. R. Stallings, county manager, Supervisor Thomas Callan, and the county librarian and library board. Appearing for Daly City will be the city manager, council and library commission.

Daly City has contemplated withdrawing from the county free library system for several years, but the proposal is vigorously opposed by some local factions.

AUCTION LAW PROPOSED BY CITY COUNCIL

An ordinance to regulate auction and fire sales was introduced by the city council Wednesday.

The ordinance, is designed to prevent distressed merchandise from being shipped into Daly City and sold here.

Under the law, no merchandise can be reduced at a fire sale or auction unless it has

March Is Date Set For Vote

A record bond and tax election for Jefferson Elementary school district, to be held next March, was set in motion Wednesday night by the board of trustees.

The district attorney has been instructed to draw up election specifications and a citizen's bond committee is being organized, headed by Mrs. Olphie White.

The election, projected to cover the district's building program for four years, will bond the district up to capacity, making it eligible for additional state aid.

Supt. H. Z. Weibel said exact size of the bond issue will not be determined until the district attorney completes preliminary groundwork.

State Allocations board last week approved specifications and funds for four new schools —the two Abraham Lincoln sites south of Westmoor High and the two K-6 schools to be located inside the St. Francis Heights subdivision, west of Junipero Serra.

The board is studying site utilization drawings on the M. Pauline Brown K-6 school and for the three classroom additions to Olympia school. Contract for the latter project, bringing the school up to 9 classrooms and a kindergarten and accomodating 100 more students, will be awarded early next year.

Trustees also are interested in purchase of two vacant lots on Vista Grande avenue next to Woodrow Wilson school. They need more information before making an attempt to negotiate for the parcels.

Also sought is a two or three-acre site, across Lake Merced boulevard from the Westlake basin property, for the district's administration

'Pyramid Club' Parties Illegal, Petrocchi Warns

Police Chief Roland Petrocchi said yesterday that so-called "Pyramid Club Parties" have been ruled illegal by the San Mateo County District Attorney's office.

The party scheme, a variation of the old chain letter idea, is beginning to appear in some communities in the county. Chief Petrocchi explained that most of the new "clubs" follow a similar pattern: the person originating the chain of parties —the initial host—invites four or five guests to his home for an evening of drinking. Each guest gives the host several

WIA President, Casimir Norton, Has Heart Attack

Casimir Norton, president of the Westlake Improvement Association board of directors, is recovering in St. Francis hospital from a heart attack which felled him Monday last week while he was getting a check-up by his doctor.

Two specialists were summoned by Dr. Lloyd Penn to assist in the case.

SKYLINE SIGNALS TO COST $50,000; DC SHARE HALF

The traffic signals at Westmoor and Westridge intersections on Skyline boulevard will cost an estimated $50,000, but Daly City won't pay half unless it has to.

That was the concensus of the council Wednesday after hearing a report from state division of highways that Daly City's share of the project would be one-half.

City Manager Howard Stites said this was an unfair ratio, but that the city would not do anything to hold up installation of the signals.

Stites was authorized to negotiate with the state to reduce the share which Daly City will have to contribute to the project.

'RECEPTION' GOOD

'Defense' Drill Effective

Except for a few "dead spots" in the Palisades section of the city, Friday morning's civil defense horns were heard loud and clear, reports Fire Chief Elmer Kennedy.

He said "checkers" in the southwest part of town across skyline barely heard the big horn located at Firehouse 5 in Westlake. Steps will be taken to eliminate this deficiency, either by purchase of a new horn or bolstering the strength of the Westlake horn.

The city has four horns for civil defense and disaster purposes. Three of these are located east of Junipero Serra boulevard.

"Most residents were well aware of what the horns meant Friday," commented Kennedy. "We had few phone calls."

The warnings last week consisted of the "alert" signal—30 long blasts, followed by the actual attack warning — 30 rapid or short blasts.

Civil Defense booklets, detailing the city's adopted emergency procedures, soon will be mailed to all homes.

Capital Outlay Law Adopted By Daly City

A capital outlay ordinance creating an "untouchable" fund for major city projects was adopted by the city council Wednesday and will come effective in mid-January.

Money allocated to the special fund will be used only for capital improvement projects. The fund can be utilized for other purposes only by consent of the voters at a special election.

building.

In other matters last week, the board:

1. Approved annual expenditure of from $400 to $600 of district funds to pay for field trips by students. Under new state law, the district cannot ask students to pay the token fees (transportation) necessary for such trips.

2. Referred $18,000 claim of Michael McAlpen against district, for alleged injuries in a bicycle-auto collision on September 17, to the district's insurance company.

3. Approved '58 outlay of $624 as district's share of costs for services rendered by the San Mateo County Continuing Survey on curriculum and enrollment projections.

4. Set Monday, December 30, for a special meeting to discuss additional site quests, according to the superintendent. Session will begin at 8 p.m. at 48 Park Plaza drive, second floor.

5. Heard Dr. Russell Kent, member of O'Dell Associates, and Dr. Vinton Stratton, district director of instruction, report on progress in field of reading skills.

6. Awarded to lowest of three bidders contract for resurfacing blacktop on playground area at Garden Village school.

1957 ... A YEAR OF SURPRISES

This is our last edition for 1957, and as we reminisce through the pages of this year's newspapers we are surprised to see that it's been a much busier 365 days than we had expected.

Major political upheavals took place in Daly City and San Mateo county, building activity shook off the early year doldrums to continue at a brisk pace and school projects, while constantly on the drawing board, could still not keep up with the fantastic increase in school population.

Daly City got a new councilman, through a series of events which started with the appointment of Frank Blum, city attorney, as a superior judge. Paul Hupf resigned his council position to take the attorney job, and Frank Pacelli was named to fill his position.

Daly City saw the completion of a second high school—Westmoor—a $3½ million undertaking. In the same year, Daly City learned that one of its oldest educational institutions—Jefferson high school—might have to be partially torn down because of old age.

San Mateo county politics were in an uproar, as the county grand jury unearthed a series of charges revolving around the activities of former county engineer M. A. Grant. The jury's inquiries will undoubtedly be felt in 1958.

Elsewhere on the county level, a new assessment program drew the wrath of Daly City residents; and a county-wide bond issue was approved, giving north San Mateo county residents hopes for their own junior college campus.

Building hit its lowest ebb in years in June, only to rally in late summer for a respectable showing. Plans for a $5½ million apartment project were unveiled by local developers and the Zita Corporation began to get moving on its 1600-home St. Francis Heights subdivision. These projects gave portent of a big year for Daly City in 1958, along with continuation of the Westlake development.

Junipero Serra boulevard freeway was announced in 1957, but the year did not shed any enlightenment on freeway plans as far as local officials are concerned.

Elementary schools continued to battle the growing enrollments, and site acquisition problems remained the chief hindrance to putting up new school buildings.

The Westlake basin site acquisition proved the most thorny problem, but is nearing solution as the year ends. A unique plan whereby the schools will utilize city land for their plants is near approval.

Daly City got a garbage dump in 1957, but it was not an easy effort.

Daly City has made gains in 1957, but none of them were easily won.

And Daly City had many lapses in 1957, among them the failure to obtain a Westlake library branch site; and to complete necessary improvements to the water system.

Nature played a big part in Daly City's 1957 life, with the March 22 earthquake that stood the Bay Area on its ear and left Daly City with nearly a million dollars damage.

The year 1957 seemed peaceful enough when it started, but as we look back, it's obvious that 1957 was a big year as far as Daly City is concerned.

We have only a few misgivings about 1957. As we look forward to 1958, we hope it can do as well by us.

Navy's Current Re-enlistment Drive Shows Good Results, Polhemus Says

Chief Electrician's Mate Leo C. Polhemus, Navy recruiter, announced today that the re-enlistment drive launched by the Northern California Recruiting Service a little more than a month ago "has, thus far, proven very successful."

Chief Polhemus said that there are several incentives offered to former regular Navy personnel. A handsome re-enlistment bonus is available for many eligible men. The amount of the bonus varies with the length of time spent in the service and the length of re-enlistment obligation.

In getting the Navy re-enlistment drive off to a bang in October, Lieut. Commander W. J. Johnston, Officer in Charge of the U.S. Navy Recruiting Stations in Northern California, presented Cyrus L. Ludden of Hayward, California, 1839 silver dollars for re-enlisting in the Navy.

In addition to the bonus, the authority to grant 30 days leave to all personnel re-enlisting in the regular Navy at Recruiting Stations was approved recently by the Navy Department.

Any man, regardless of the time expired since the date of his last discharge from the regular Navy is entitled to advance leave.

Chief Polhemus suggested that now is the time to re-enlist, take advanced Christmas leave with pay, and report for duty after the Christmas holidays.

Certain former regular Navy personnel eligible for re-enlistment can also be guaranteed assignment to one of the Navy's Class A, B, or C schools.

Many different ratings are open in the technical fields. The fields of electronics, aviation and nucleonics are wide open to those men who can qualify.

Further information regarding re-enlistment bonus and guaranteed schooling can be obtained by contacting the Navy Recruiting Station, 6705 Mission street, Daly City, or phone PL 6-3740.

Traffic Signals For Jefferson High Rejected By State

State division of highways reported Wednesday that there is insufficient traffic on Mission street in front of Jefferson High school to warrant installation of traffic signals.

The council had requested signals to improve the flow of traffic at peak hours and to allow students to cross the busy thoroughfare safely.

The council will renew its efforts for the signals in six months, according to City Manager Howard Stites.

Jail Drunken Marine

John E. Fitzgerald, Wisconsin-born Marine, was arrested for drunkeness late Wednesday night after Police Officer Charles Munday spotted the Leatherneck staggering along Mission street. Fitzgerald was held overnight in city jail, then released to Armed Forces police from Treasure Island.

A 230-pounder, Wyman and his fellow carriers haven't let up in handling the record Christmas rush. They can't afford to. The mail must go through, as per the script.

been in stock for six months.

The ordinance also establishes license fee of $20 a day for auctions and other similar close-out sales.

According to City Manager Howard Stites, there have been instances recently where, merchandise has been shipped in and sold at auction as part of the store's regular stock.

when the steering group convenes for the first time.

The council had been scheduled to meet with the appointive group last Wednesday, but delayed the initial session in order to further outline the purposes of the group.

The steering committee, made up of 10 citizens, was appointed by the council December 9.

The committee will be the nucleus of a larger citizens ority list for major city projects.

Traffic Official Urges Caution During Holidays

Californians face a black Christmas if the accident trend for this year-end holiday isn't reversed, according to Henry E. North, president of the California Traffic Safety Foundation.

He pointed out that Christmas holiday traffic fatalities in this state have climbed from 28 in 1954 to 50 in 1955 and up to 67 last year. An annual increase in the New Year's holiday statistics has also been constant for the three-year period.

On the brighter side, North noted that traffic fatalities for the first 11 months of 1957 are down from last year by a narrow margin of 1.5 per cent—a decrease of 50 deaths.

"In order to hold this slim margin, highway accidents will have to be drastically curbed for the next few days," he said.

"Seventy-five percent of the fatal yuletide traffic accidents occur during the dark hours of 5 p.m. to 7 a.m.," North continued. "With this factual data in mind, it shouldn't be too much to ask that each driver make it his personal responsibility to drive carefully and defensively during the darkness danger period."

"Drinking and reckless drivers are going to be removed from the highways by enforcement officers—many of them will be jailed. Nevertheless, the final responsibility rides with the average motorist — who, evey time he violates a traffic law, puts his drivers license in jeopardy as well as his life."

Jefferson Girl, 16, Arrested For Theft

A 16-year-old Jefferson High girl, with a long record of truancy, was taken to Hillcrest Juvenile home last week for the theft of $70 from the brother of her girl friend.

Daly City police said the girl admitted taking the money from a box in the bedroom closet of her friend's home. The delinquent was a frequent visitor to the house, according to the report.

The United States assumed control of all lighthouses Aug. 7, 1789.

'Pyramid Club' Parties Illegal, Petrocchi Warns

dollars which he uses to provide entertainment.

Each guest then is expected to stage a similar party, again inviting a number of guests who contribute money — some of whicn goes to the original host. The process continues until it is stopped by police or lack of momentum, and the result is a substantial loss of money to the most recently recruited "guests."

Petrocchi cautioned that parties of this type are a violation of the state gambling law, and, when invitations are sent by mail, contrary to federal law. He emphasized that violators are subject to arrest. No local governmental officer has endorsed the scheme, and citizens are requested to report any invitations they may receive.

Hope Lutheran Youth Join Choirs For Yule Pageantry

Beginning with a candlelight processional on Christmas Eve at 11 p.m., the young people of Hope Lutheran church, on Old San Pedro Road west of Junipero Serra boulevard, will join with the choirs in presenting a service of pageantry, Christmas music, and candlelighting.

"Holy Night" is the theme of this year's worship service. The setting for the Christmas story is the chancel of the church, decorated by the young couples of the church with twenty-two untrimmed Christmas trees, a stylized manger scene, and a twenty-foot tree trimmed with lights, ornament and tinsel.

The senior choir is under the direction of Grace Marting. Christmas music for this service is "Come, Shepherds, Come" a Tyrolese Carol, "O Holy Night," "Gesu Bambino," "Come Your Hearts and Voices Raising," and "The Introit For Christmas Day." The choir will join with the congregation in the singing of several of the well-known Christmas carols.

As part of the service, each person attending will receive a candle and join in the candlelighting ceremony.

The Rev. Louis C. Marting, pastor of Hope Church, will narrate the Christmas pageant and lead in this Christmas Eve Worship.

A special service will also be held at Hope church on Christmas morning at 11 a.m. Pastor Marting will deliver a message on "The Gifts of Jesus: Life, Joy, Peace, and Hope."

"HOLY NIGHT," Christmas Eve Pageant to be presented at 11 p.m. at Hope Lutheran church, Old San Pedro Road, is being rehearsed by a group of the church's young people, amidst the setting of two dozen Christmas trees.

All Aliens Must File Addresses During January

District Director Bruce G. Barber of the Immigration and Naturalization Service estimated today that over 204,000 aliens will report their address in the San Francisco District during January under the Federal Alien Address Report Program.

The Immigration official said that 203,500 aliens reported their address during January of 1957.

Barber said that all noncitizens, except those in diplomatic status, foreign representatives of certain international organizations and those admitted temporarily as agricultural laborers, are required to file the address report.

He added that and alien who willfully violates the address report requirement may be fined up to $200, imprisoned for 30 days, and deported.

In addition, aliens who are not in the United States during January must report their address to the service within 10 days after their return.

DMV Announces Schedule On '58 Licenses

Vehicle registration renewal cards for 1958 have been mailed to over 1,400,000 owners of commercial vehicles and all types of trailers, Paul Mason, Director of Motor Vehicles, announced today in Sacramento.

Statement cards for private passenger cars will be mailed as in the past on December 26. The total number of cards to be distributed wll be over 7,600,000.

The department is already issuing validated 1958 registration cards and rear license plate stickers to owners of trucks, buses, cabs, and all types of trailers. They may apply without penalty through February 4, 1958.

"A few early applicants have been detaching the stub from the main body of the card before submitting their 1958 fees with their cards for registration," Mason said. "The directions on the cards clearly state that both parts must be presented when applying for renewal. We ask motorists to read the data and directions on the cards carefully, so that the processing can be handled as rapidly and efficiently as possible."

He said the department this year has printed the owner's name and address on the stub as well as on the main body of the card, thus eliminating any need for the owner to write in this data. For future reference only, the director said, a forecast of the 1959 renewal fees has also been printed on the stub, clearly marked. The department emphasizes that only the 1958 fees are payable currently for registration renewals.

Ronald R. Bush Wins Navy Award

Ronald R. Bush, Seaman Apprentice, son of Mrs. Eva Bush of 282 Irvington street, Daly City, has been chosen American Spirit Honor Award winner of last week's graduating recruits at the U. S. Naval Training Center in San Diego.

The American Spirit Honor winner is chosen from among 600 recruits. He is elected from the honormen and apprentice chief petty officers of the graduating companies with the final choice being made by the brigade commander with the approval of the executive officer. The election is made on the basis of leadership, sportsmanship, military bearing, initiative, response to orders, qualifications of a good shipmate, and application to recruit training.

Before entering the Navy, Bush was graduated from Allen Military Academy in Byran, Texas, and was appointed apprentice chief petty officer of his recruit company because of his leadership ability and military bearing.

Recruit Bush will be assigned to Electronics school at Treasure Island, California, after his return from 14 days recruit leave.

Whist Scheduled

A public whist sponsored by Court St. Mary will be held Friday evening, January 3, at 8:30 p.m., 17 Hillcrest drive. Science-Minded Officers Sought For Navy Duty

Five-hundred officers trained in the field of science will be added anually to the ranks of the Navy and Marine Corps under a new educational program announced recently by Secretary of the Navy Thomas S. Gates.

Beginning with the school year of 1958-1959, 500 enlisted men will be enrolled in civilian colleges to take four-year courses leading to a Bachelor of Science degree and a commission in the Navy.

Strong emphasis will be placed on study in mathematics and the physical sciences. During summer vacations the students will be assigned to Navy Laboratories and other scientific establishments to participate in the practical application of their studies.

Students will receive the pay and allowances of their rates while attending college. The Navy Department will pay the cost of their education.

Enlisted men who take advantage of this opportunity obligate themselves to a period of active duty equal to the period of time they are enrolled in the new program.

A selection board consisting of Naval officers and civilians experienced in the field of education will select men for this program from the enlisted ranks on the basis of intelligence and aptitude.

Two For Tonight

By Leonore Brewer

At the Curran you can share for a few hours the big-hearted, uninhibited life of Anthony J. Drexel Biddle, a man who had his own ideas of how life should be lived and the money to indulge these ideas to the fullest. Appropriately titled, "The Happiest Millionaire," it stars Walter Pidgeon.

There is no way of knowing just how accurately Cordelia Drexel Biddle (who is also a character in the play, pert Gaye Jordan) reported the goings on at 2104 Walnut Street, Philadelphia in her book "My Philadelphia Father;" nor do we know how the book may have been tailored by playwright Kyle Crichton to make these remembrances of times past theatrically more acceptable.

Inviting Reminiscences

Nor does it matter, because the result has that once-upon-a-time quality found in fairy tales and the more inviting family reminiscences. In a day which places so high a premium upon conformity and when non-conformity takes such unpleasant even vicious forms, it's nice to be reminded that not so long ago this country could produce a clan that abounded in what the French call originals.

With the action taking place between 1916 and 1917 the play's attention is focused primarily upon Anthony J. Seeing nothing incongruous in mixing mild swearing, fine Madeira and heading the Drexel Biddle Bible classes, he must have been quite a boy, holding boxing lessons in his drawing room and keeping alligators in his conservatory. The role is as rich as a Christmas pudding and Pidgeon plays it with lip-smacking relish.

Aunt Mary Drexel (Evelyn Wall) must have been the terror of the women's clubs and even the kids Cordelia, Livingston (Don Britton) and Tony (Joe Bishop) must have indicated early in life that they too would become individuals, not carbon copies.

Hilarious George

Into this free-wheeling family comes ineffectual squeaky-voiced young Angier Duke (played hilariously by George Grizzard) desiring to marry Cordelia. His suit seems hopeless until he decides that if you can't beat 'em, join 'em.

Seen through Cordelia's fond retrospective eyes, the Biddles lived an expansive self-expressive life. There weren't any troubles that Pappa couldn't handle. If nothing else worked, he could always roar them away.

SQUIRES CONTINUE SATURDAY MOVIES

The Columbian Squires of Daly City, youth club sponsored by the Knights of Columbus, open a new series of Saturday movie matinees for all youngsters this Saturday at 2 p.m. in the OLPH School auditorium on Wellington avenue.

The films are all new, covering a variety of adventures, and there will be plenty of refreshments for all comers. Only fee is 10 cents per child.

LIEUTENANT Colonel Grant R. Smith, son of Mrs. R. Smith, 258 Templeton avenue, has been assigned duty as the Commander of the 27th Fighter Interceptor Squadron at Griffiss Air Force Base, Rome, N. Y. Colonel Smith originally entered the service in December, 1941 and served for five years. During this time he was in the Southwest Pacific area and the European Theater. He was recalled to active duty with the rank of Major in 1951 and served a tour of duty in Korea. He has been awarded the Distinguished Flying Cross with one Oak Leaf Cluster, the Air Medal with 11 Oak Leaf Clusters and the Purple Heart. Colonel and Mrs. Smith, with their four children, Ronald 11; Gaylord, 8; Jennifer, 6; and Jeffery, 3, are making their home in quarters on the base.

Pack 343 Opens Big Bottle Drive

Westlake Cub Pack 343 has opened its third annual "Bottle Drive," shooting for a goal of $100 to aid unit activities by the deadline date of January 4.

Residents who have returnable soft-drink or other-type-beverage bottles are asked to call PL 6-0269 for pickup service. The home of Jerry Jacobs, 152 Westmoor avenue, near the high school, is collection headquarters.

The Cubs will go door-to-door the afternoon and evening of January 4 to climax the drive.

The self-sponsored unit needs the money to stage its projects for 1958. Last drive netted the Cubs $67. This time they're hoping they'll go over the century dollar mark.

DINNER AND SONGS

Presbyterians In B'moor Set New Years Eve Fun

The first few evening hours of December 31st will be celebrated in traditional fashion by the members of the Broadmoor Presbyterian Church. Each New Year's Eve the church enjoys an informal pot luck dinner and group singing, beginning at 6:30 p.m., and lasting until about 8:30.

Rev. Herbert Tweedie, minister of the 87th street church, said, "This will be my family's first New Year's Eve in Broadmoor, and we're happy to continue the long line of family parties that the church has held in previous years."

Arrangements for the evening are under the direction of the Coffee Class (Adult Sunday School) President, Larry Doyle. This will be his last official duty as president, since his term expires at midnight, December 31. New officers are to be elected December 29.

After the tables have been cleared away, there will be a song-sing, led by Irwin "Swede" Larson, of Westlake, and closing with the joined-hands singing of "Blest Be the Tie That Binds."

Tweedie commented that the holiday season has been an especially busy one at the church, with a special service each Sunday night until Christmas. On December 8, the adult choir presented at hour-long Christmas Cantata. Paul Elliott, Mrs. Clarence Spratt, Mrs. Carlos Mattson, and Larson were among the featured soloists, under the direction of organist-director Delmar Severy.

On December 15, an evening carol sing was held in the social hall, with choir members leading the congregation in favorite old carols, and presenting arrangements of their own. The Sunday School Christmas program was held last Sunday evening, December 22, in the sanctuary, with classes participating from kindergarten through elementary school age.

As a part of the Christmas observance in Broadmoor Village, sponsored by the Broadmoor Property Owners Association, the choir from Broadmoor Presbyterian appeared at the manger representation at 87th and Washington, entering choral competition with other local churches. Rev. Tweedie was present at the caroling festival, along with fellow member ministers of the recently formed Council of Ministers, of which he is the first president.

JEFF BLAZES TO PALO ALTO TOURNEY TITLE

Marc, Ryan Spark Tribe To Three Victories

By Roy Hurlbert

Jefferson's varsity cagers, with center Dennis Marc and guard Gary Ryan fusing the dynamite, established themselves as Peninsula League title timber Saturday by winning the pre-loop Palo Alto Invitational with a solid 50-39 win over the host Vikings.

Coach Mike Orlich's team knocked off three good South Peninsula League contenders to notch the crown. Lincoln of San Jose, built-around 6-7 Rich Hosley, was Jeff's first victim, 57-41, as Marc, himself 6-5, connected for 26 points, the tourney high.

Share Honors

Next night, the Indians spanked Menlo-Atherton, 48-37, with Marc and Ryan each potting 17 points.

In the final, Jeff was never behind, though the Vikes pulled to within five points midway in the last period.

Sequoia won third place in the affair by upsetting Menlo-Atherton, and Lincoln took consolation honors with a win over Cubberley.

Both Marc and Ryan made the all-tourney team.

Splits Squad

Orlich concentrated on the Palo Alto engagements instead of the Peninsula League tourney, which was held Wednesday through Friday at Capuchino. The Indians reserves played in the latter tourney, finishing last in the Acker system used to determine the winner.

Capuchino won the title with a plus 68 rating. Westmoor's Rams finished sixth, one notch ahead of Jefferson. Games were limited to 20 minutes, and each team met the other in round robin style.

League play begins for Jefferson and Westmoor the second week of January. The Indians and Capuchino are the strongest-looking quints to date. Burlingame and Hillsdale also bear watching.

W'MOOR'S VARSITY HOOPSTERS

COACH Tony Giammona, ex-Michigan Stater, lines up the Rams who will see heavy varsity duty for Westmoor in the forthcoming Peninsula League basketball campaign. Left to right: Larry Schoenfeldt, Ross Holmgren, Gary Twitty, Dick Reece, Bill Dougherty and Larry Harper. The Rams travel to Lick-Wilmerding next Monday and host Tamalpais on January 3, both practice games. League play begins January 10.

THE RECORD photo

COACH Byron Van Alstyne's Westmoor 130-pound cagers open their Peninsula League schedule January 10 against South City. Front row, left to right: Jim Heick, Webb Parker, Wayne Moon, Bob Goodwin and Andy Saranchock. Back row: Jim Kennedy, Bill Fosberry, Jim Wade, Ed Berg, Bill Hix and Richard Blakemore. Van Alstyne learned his basketball lessons at USC.

THE RECORD photo

By volume, nitrogen makes up nearly four-fifths of the air we breathe; oxygen comprises only one-fifth.

W'moor's Ross Holmgren Makes All-Tourney Team

Guard Ross Holmgren, a junior, won a berth on the All-Tourney team Friday as the first annual Peninsula League Acker tourney came to a climax at Capuchino High in Millbrae.

The host Mustangs wrapped up the championship with a point total of 68, based on round-robin scoring (the winning margin in all games added up.)

Coach Tony Giammona's Daly City five, though ranking sixth in the seven-team field, finished with a 23-20 win over South City. The Rams and Jeff battled to a 12-all tie, with both squads using reserves.

Westmoor lost to Cap, 32-16, and to Burlingame, 22-13, and the margin of two points meant defeat at the hands of Hillsdale and San Mateo.

Giammona was impressed with the work of center Larry Harper, forward Gary Twitty, and back-in-action pivot Larry Schoenfeldt. Twitty hit his seasonal best in the finale.

Tourney standings: Capuchino, plus 68 points; Hillsdale, plus 32; Burlingame, plus 20; South City, minus 11; San Mateo, minus 25; Westmoor, minus 28, and Jefferon, minus 56.

Brisbane Selling City Directories

Brisbane's third City Directory, sponsored by the Chamber of Commerce, went on sale last week under the direction of Scoutmaster Cunningham.

Each copy costs 75 cents, one third of which goes to the Boy Scouts. Rest of the money will be used by the Chamber in preparing brochures for all new residents, a bulletin board and map at the entrance to Brisbane, and Christmas decorations.

STARTING TROUBLE

If your automobile's engine turns over very slowly when you press the starter the cause, says the California State Automobile Association, may be: tight engine, low battery, or unusually high resistance in the starter or ground cables.

John Muir discovered the largest known Sequoia gigantea in the Sierra Nevada Mountains Aug. 1, 1901; circumference 108 feet one foot from the ground.

Exclusive for Women
TONEMASTER Barrette

Here for the first time anywhere in the world is a barrette hearing aid designed for you to conceal completely in your hair. You can clip the Tonemaster Barrette on in seconds ... just as you would a regular hair ornament.

You'll hear as never before. Sounds come in clear and strong without any trace of annoying clothing noise. Try the new Tonemaster Barrette ... a completely new experience in hearing.
